### **Weekly Meeting Time/Place**

- Tuesdays, 6 pm, EB 1145
- Met Wednesday of this week due to exam

### **Use Case Diagram**

- Claury will be working on it
- Should be finished in time for Extra Credit

### **Domain Model**

- Will McGee will be working on it
- First draft ready by 10/20

### **List of Requirements**

- Need to be enumerated by Emilio
- May differentiate between functional/non-functional

### **Website**

- Cameron needs our pictures for the website
- Skeleton complete otherwise
- May also need our IDs later (less time sensitive)

### **List of Questions**

- Will add more as meeting nears (26th)
- Majority of questions good and ready

### **Next Meeting/Closing Thoughts**

- Post to slack by 10 am Friday (10/21) for EC
- Go over Questions for customer meeting in next group meeting
- Ask the teacher of the formality of the customer meeting? (Bring to teacher Monday)
